MINDEN FIRE DEPT. SAVES BUILDING

Miss MARILYNN BAGGS

This popular young music teacher is entering happily into the life of the village of Minden. She is contributing her talent to the choirs of the United and Anglican churches.

I am told she enjoys teaching in Minden. Her pupils, which include also children from Ingoldsbay, Carnarvon and Miners' Bay are making good progress.

Minden has been without the advantages of this instruction for a number of years — so, Mothers and Dads, don't pass up this golden opportunity when it is available.

Miss Baggs pupils range in age from five year olds to the young married set. One is never too old for this type of hobby — and what a joy for the children when "Moin" can play accompaniments for sing songs and help them with their music.

Vocal students too, are making good progress. If one has a talent in this direction, there is much to be gained in learning correct production, correct breath control and good diction.

The School Board has endorsed piano instruction at the school by placing a piano at Miss Baggs disposal and permission can be obtained from the principal by any student wishing to take a weekly lesson there.

Another thought the writer would like to leave with its readers. Real progress can only be made by students who take their lessons regularly — and in fairness to the teacher, as well the pupil, lessons which are missed should be made up at the earliest convenience.

Let us do all we can to support Miss Baggs so that she will feel it is worth her while to stay in Minden for a long time.

QUICK ACTION BY MINDEN FIRE DEPT. SAVE BUILDINGS

Minden — Only quick action by the Minden Fire Dept. prevented what might have been a very serious conflagration in Minden on Wednesday morning when fire broke out in the Highland Building supply store.

Fortunately the building was saved and damage to the contents was caused mostly by smoke.

We understand that the controlling of this fire was entirely due to the speed and efficiency of the fire department staff only as the fire engine does not work.

Surely it is high time that the village install modern fire fighting equipment before a serious conflagration wipes out much valuable property with probably the loss of lives of some of the citizens.

EDITORIAL

Once again this year the Canadian Legion is asking the people of Haliburton County to wear a Poppy for remembrance. This is an excellent appeal and one that should not be overlooked. During the years since Col. John McCrae wrote the challenging poem "In Flanders Fields" the Poppy has taken on a peculiar significance. It has come to typify in many countries of the world the debt which we who live owe to those who died in battle.

One day in the year the people of Canada are asked to wear a Poppy to show that they remember. One day in the year they are asked to pause briefly to honor the dead. That is little enough. While remembrance of the dead of the two wars is the spiritual aspect of the Poppy, there is the other practical purpose of assisting the living, for the money raised through the fund is used for emergency assistance to Veterans and to families of Veterans.

While it is true that Veterans under certain circumstances have the advantage of specific legislation, such as war veterans' allowance, it should be remembered that when an emergency crops up in any family, speed is the essential requirement in providing assistance.

There are many cases on record with the Poppy Fund where the necessary assistance has been forthcoming in a matter of hours. It should be remembered also that there are many worthy veterans who hesitate to apply to any of the organized charities. Many of them have twice gone into uniform, and have given ten years from their productive life to the service of their country. Through the comradeship of the Canadian Legion their needs are learned, and the assistance is forthcoming. It should be remembered too, that while the Poppy Fund is a national appeal the money raised locally is used locally to assist veterans and their families.

The Legion slogan "Wear a Poppy for Remembrance" is a good slogan. It is one that deserves the support of every citizen.

New Dry Cleaning Service

An advertisement in another section of this paper informs us that we are to have a new dry cleaning and laundry pick up service in Haliburton.

The Victoria Laundry which has inaugurated this new service is owned by a young man very well and favourably known in this community. He is none other than Jack Cluff whose parents Mr and Mrs George Cluff resided here the greater part of their lives.

Bernstein's Store and Mrs. Muriel Teatro are acting as agents for the said firm.

Local Boy Draws Sweep Stake Ticket

Haliburton — Mr. Gaff Davies of Haliburton was a very happy boy last week when he received a telegram telling him that he had drawn a non starter in the Irish Sweepstakes. It seems that a friend of Gaff's, Mr. Ken Rapson of Toronto had purchased the ticket for him and placed Wig on it for the non de plume. He chose Wig as Gaff is a cook at this popular summer lodge Wig-a-Mog in the summer months. Gaff is at present in Toronto attending University and this money will come in very handy at this time. A friend of Gaff's first noticed it in the paper and called him to tell him of the good news. Congratulations to Gaff Davies on drawing a ticket in the sweepstakes.

Francis Family Reunion

The family of Mrs. John Francis of Gelert gathered at her home on Sunday evening, October 12th, for a family reunion. Those in attendance were Mr and Mrs Alex Esler (nee Susan Francis) and John; Mr and Mrs Harry Esler (nee Edna Francis) Joy, Harry and Carol all of Toronto; Mr and Mrs Charlie Francis, Phyllis, Garnet, Danny and Tony of Halls Lake; Mr and Mrs Jack Francis, Carol and Billie; Mr and Mrs Orville Hicks (nee Ma y Francis) Ruth, Billie and Sylvia all of Lochlin; Mr and Mrs Ted Francis, May and John; Mr and Mrs Orval Francis; Bobbie, Billie and Elizabeth; Mr and Mrs Carl Francis, Jimmie, Helen, Tommy, Harry, David and Judy; Mr and Mrs Archie Walker (nee Myrtle Francis) Margaret, Francis and Donnie and Mr. Ivan Francis all of Gelere. Mr. Allen Francis of Waterloo; Miss Mae Cowen of Donald; Mr and Mrs Harold Coulter; Dale, Faye and Beverley Ann of Minden and Mr and Mrs Philip Corby, Barbara and Jerry of Blairhampton.

Mrs. Francis has four daughters seven sons, twenty nine grandchildren and five great grandchildren. On the day of the occasion it was John Winters twenty first birthday (a grandchild) and the wedding Anniversary of Mr and Mrs Orville Hicks.

The youngest grandchild Judy Francis is two and a half weeks. One grandchild Doreen Francis was not present.

Photo by Ballard & Jarrett, Toronto.

Mr. Frank C. Williams, whose foster parents are Mr and Mrs Thos Campbell of Minden and his bride, the former Dolores Edwina Watt, daughter of Mr and Mrs Roy C Watt of Haliburton, are seen leaving Islington United Church after the marriage ceremony which took place at 3 p m on Oct. 18th, 1952. A reception was held at the Old Mill.

Many Hear World Missionary

Some fifty members of the Haliburton Parish of the Anglican Church motored to the City of Peterborough on Thursday evening last for the purpose of listening to Canon Bryan Green of Birmingham, England.

This great world missionary who is known on every continent for his preaching missions spoke to over 3000 people in the Brock St. Arena.

The Canon is a real down to the earth speaker with a great sense of humor and he held the rapt attention of this great audience throughout his address.

Those who made the trip from this area to Peterborough were not disappointed, as they had good seats and considered it a great privilege to hear this wonderful exponent of the Gospel of Jesus Christ.

The following citizens of this area were in attendance from Haliburton

Bruce Henry; Mrs J. Douglas; Mr and Mrs Tom Williams; Louis Hodgson; Mrs. Len Pearsell; Mrs. Sid Johnson; Creighton Feir; Mr and Mrs Berkeley Feir; Miss Dorothy Clarke; Mrs. Jim Robertson; Mrs. Lorne Morrison; Allan Botting; Mrs. Reg Dart; Mrs. Fleming; Cecil Morrison; Mrs. Harry Davies; Mrs. J. Sprouts; Miss Joyce Williams; Mrs. Elwood Austin; Miss Mavis Sisson; Miss Shirley Cooper; Harold Thayer and Miss Minott from Haliburton.

From Maple Lake were Miss Isobel Gibbs; Miss Phrona Sisson; Mrs John Harrison; Miss C. Cooper Mr and Mrs John Morrison; Mr and Mrs Tom Welch; Mrs. Ed. Barry; Mrs. Milton Dawson; Miss Shirley Dawson; Mrs Howard Thompson.

From West Gullford were Leon Jones; Mrs. George Jones; Mrs. Cecil Stamp; Miss Alice Walker; Earl Cooper; Sid Sisson; Keith Sisson; Mr and Mrs Leslie McGuire.

Roy Nicholls from Eagle Lake and Rev. and Mrs. M. J. Cathcart.

Figure Skating Club To Meet

Winter will soon be upon us and our minds will be turning to such sports as curling, hockey and skating.

The Haliburton Figure Skating Club are preparing for what they hope will be another successful season.

At a meeting which is to be held in the Public Library at Haliburton on November 7th at 8 p.m. plans will be laid for the coming season. We have been informed that Mr. Price of Boskung who has conducted skating classes at Forest and was responsible for a class being organized at Woodstock will be present and a most profitable meeting is expected.

The local Executive of the Figure Skating Club have accomplished much in bringing the art of fancy skating to the forefront in this locality. They deserve our encouragement.

It is hoped that everyone interested will plan to be in attendance at this meeting.

WEDDING

TRAVISS—DEWEY

Gooderham United Church was the setting on Saturday afternoon at 2:30 when Mary Alice daughter of Mr and Mrs James Dewey was united in marriage to Archie Aldridge, son of the late William and Mrs Traviss. Rev. McFarlane of Kilmount officiated in the double ring ceremony.

Given in marriage by her father the pretty bride chose a beautiful white gown of nylon and satin. Tiny buttons adorned the back down to the tight fitting bodice. She wore a long veil held in place by a matching Juliet wreath. Gracefully she carried her pink bouquet of carnations. Mrs. Bruce Staley was maid of honor and wore a beautiful pale blue satin dress and carried white carnations and matching head band. Vivien Dewey, sister of the bride and Beatrice Traviss sister of the groom were bridesmaids. Vivien was becoming in a yellow gown with orchids while Beatrice chose mauve with yellow bouquet.

The dresses were similarly made having brocaded satin bolero effects and full skirts with tulle draping. The little flower girl, June Dewey and Ruth Billings were charming in a rose shade and carried pink and white carnations. All wore little head coronets to match. The groom was assisted by Mr. Bruce Staley. Mrs. Roland Staley played the wedding music. The church looked lovely with flowers and streamers. Mr. Roland Staley assisted as usher to the bridal party.

The happy couple left the church with showers of confetti and best wishes and a buffet lunch was served at the bride's home. Mrs. Dewey wore a grey suit with yellow corsage and black accessories. The groom's mother wore a navy dress pink corsage and maroon coat and hat. The same evening Mr and Mrs Traviss entertained many relatives and friends in the Orange Hall. The wedding cake was pretty, displayed on the table. Many gifts were received for which the couple were grateful. They will reside in Oshawa. They have the best wishes of the community.

St. Paul's W A

Minden — The regular meeting of St. Paul's Anglican W.A. was held at the home of Mrs. Walter Welch on Tuesday afternoon and a very delightful time was had by the fourteen ladies present.

On display was a beautiful heirloom quilt in tulip design, the work done by the energetic club.

Tulip blocks were prepared for another quilt at this meeting.

After sewing was completed a delicious lunch was served by the hostess, assisted by Mrs. Earl Hewitt.

The next regular meeting which will be devotional and business will be held at the home of Mrs. A. E. Irwin at the rectory on the 11th of November.

Haliburton Curling Club Hold First Meeting

The Haliburton Curling Club held their annual meeting on Monday night last at the Haliburton Curling Arena. It was one of the most enthusiastic meetings that the club had ever held. Over 60 members along with the new ones crowded into the curling rink for this general meeting.

President Lou Consky was in the chair for the meeting. Jack Robertson acted as secretary for this meeting. President Lou started the meeting rolling by telling all present that he was pleased to see so many new members in attendance.

A short discussion followed on the problem of putting a basement under the front part of the curling arena. It is hoped that more money can be raised and that this project will get underway.

A short discussion also took place on the question of playoffs. It seems that last season the playoffs were over too soon and that the teams who were not in the running were in no organized competition for the remainder of the season.

The Minden Curling Club have been given an offer and price if they wish to play in the local Arena this winter. If they come in the Minden and Haliburton Clubs will play an interlocking schedule with each club having their own playoffs at the end of the season. More on this at a later date.

Nov. the 25th has been the date set for all old and new members to pay their fees and show that they will be curling this winter. A meeting will also be held of the skips to pick their rinks for the winter. At the conclusion of the meeting a vote was taken of all present on the skips for this season. The following is a list of the skips for this season:

Frank Andison; Jack Robertson; Hugh Burke; Carl Hussey; Mervin Robertson; Jack Lyons; Rea Stinson; Dr. H. P. Bishop; Harold Black; Lou Consky and Jack Hunter.

OBITUARY

MR. FRANCIS KING

After a prolonged illness of an arthritic character Mr. Frank King passed away at his residence on Tuesday morning. Deceased had many friends in the vicinity and will be sadly missed. He was of Roman Catholic faith and the funeral was on Thursday morning from the Kilmount Church with Father Walsh officiating. Floral tributes bestowed the high esteem in which he was held.

Full bearers were neighbours, Mr J. E. Pickens; Mr Fred Raby; Mr Lorne Hunter; Mr Robert Hunter; Mr Gordon Billings and Mr Cochrone.

Before taking over the grocery store in 1941 Mr. King owned a mill on Trooper Lake which was destroyed by fire and later he became a farmer.

He was united in marriage to Miss Pearl M. Hannigan and to them were born 7 children, Lloyd; Cyril; Orval; Evelyn; Lionel and Alvan, all of whom survive him.

There is also a brother John of Welland and a sister Mrs. Mary Foss of Niagara Falls.

A sister, Mrs Annie Willock of Saskatchewan was buried on Sunday morning. There are also eight grandchildren; Billy; Philip; Ruth and Elizabeth; David; Joyce; Donald and Judith.

Highland Hallowe'en

Once again Hallowe'en comes to Haliburton and once again people look to it with mixed feelings. Some enjoy the fun and merriment, others feel a bit apprehensive about the behaviour of the revellers.

Hallowe'en is an old religious festival that precedes All Saints Day. It is supposed to be a night devoted to witches and clement souls and ghosts, in its modern form children are allowed a certain freedom of behaviour on this eve of play and trickery.

Unfortunately some youngsters take this festival as an excuse for foul play and base tricks. They act with little sense of loyalty and social responsibility. Surely everyone should be able to enjoy this age-old festival with happiness and laughter and not be in fear of their property and personal goods.

Let us hope that Hallowe'en will be a happy one, enjoyed by all and free from unpleasant action.

Whither Haliburton

Towards the close of each year when winter nights are setting in, it is wise to sit back and reflect on the year's events. On this occasion we reflect on the growth and changes that have taken place in our own village.

We can recall to mind several major items. The building programme alone in the village is worthy of thought. There has been the erection of several houses, a new Legion Hall is making itself evident, the new High School is a major project, and the moving of certain classes from the Public School building to the present High School site in the not too distant future is of note. The main street has seen the opening of new stores and new folk have come into our midst. Schools are overcrowded and the demand for accommodation and houses is increasing. Our community is obviously growing and Haliburton is widening its boundaries. We can now ask the questions. What of the future? What prospects in Haliburton?

As a tourist centre it will remain in the forefront and with the continued growth of the lakeshore towns of Toronto, Hamilton and others, the future number of tourists may be considered to be assured. The new High School will form a local education centre for higher education, and the evening classes and recreation for youngsters and teen agers are worthy assets to the cultural growth of the community.

The eternal question of new industries to the area cannot and will not be answered for many years but, one thing is a certainty, a growing centre of population brings new work and varied occupations. As we see it now Haliburton is on the forward movement and looking ahead. The future prospects are promising and bright.

FOREST PROTECTION . . .

Over the Thanksgiving week end the fire hazard rose to a high rating for a few days and two small fires in Cavendish and Harvey Townships occurred, both fires were caused by careless smokers who probably dropped a cigarette into the dry Fall leaves, causing a total burn of four (4) acres before being brought under control. So far this Fall, it has been a cool, wet season, and this has been the only dangerous period to date but a fire hazard could still arise now that the leaves are pretty well all off the trees and all hunters and anyone else in the bush these days are urged to take every precaution with smoking material. It is well to remember that the Fire Season does not end until October 31st and all fires set out for cleaning up brush etc., must be covered by a permit. We have had an excellent Fire Season this year. It is hoped that we can wind up the season

without any more fires which will be possible if everyone is on GUARD.

REFORESTATION—

The first Fall Tree Planting Project on Crown Lands has been completed. Seventy-seven thousand trees were planted in Methuen Township north east of the city of Peterborough.

This is the beginning of extensive reforestation work of this nature, in the Trent District, although small areas have been reforested in the vicinity of Apsley prior to World War II. Field investigations have already been completed in other areas of Methuen Township, preparatory to planting additional areas next Spring.

Reforestation officials are now carrying out extensive examinations in other townships both in and outside the Fire District, in order that planting plans may be ready when the need arises.

Haliburton Man

Has Hunted
78 Years

William Gregory, a grand old hunter of Haliburton, is now in his 94th year and is planning to take in the Deer Hunt this fall. He has hunted for 78 years in the Haliburton Lake area and has not missed a single year during that time. He has employed the same two guides for the past eight years; Owen Morrison and Harold Douglas. They will again be guiding Mr. Gregory for the hunt this fall.

Mr Gregory was successful in shooting his deer last year and he expects to be successful again. This would seem to be somewhat of a record and it is hoped that Mr. Gregory will continue to enjoy the grand old sport of hunting.

New Chief Ranger
Headquarters At
Gooderham

Good progress is being made on the new Chief Ranger headquarters at Gooderham. The office building structure has been completed with the exception of the interior. It is expected that the plumbing and heating will have been installed prior to freeze up.

A new Ranger Cabin located in Anstruther Township has been built. This cabin will be used by Conservation Officers who require overnight sleeping facilities when in this isolated part of the district, as well as to provide shelter for Forest Rangers should fires occur in that vicinity.

Favourable Fall weather has permitted the completion of a new bridge over the York River as well as improvement to its approaches to permit truck use. A new road has also been built to serve the Gooderham Tower.

ROTARY

After the lapse of a week due to the Thanksgiving holiday Minden Rotary met as usual at Ellencroft with a good turnout.

Highlight of the meeting was the introduction of a new member in the person of Harold Deacon of Minden Tire. We all welcome him.

Speaker of the meeting was our member Jimmy Smith who gave a running account of the trip he took in September which covered Northern Ontario, Wisconsin and Michigan.

Leaving Minden they proceeded North through the Temagami forest with its rugged beauty, which continues on to New Liskeard, from whence you suddenly break into a lovely farming country with open fields and excellent buildings reach the mining centre of Timmins, on to Cochrane and then to Kapuskasing a paper mill town that is beautifully laid out in the form of a circle. Heading west, from that point to Hearst, leaving there for the next 132 miles to Longlac you pass thru a flat country covered with poor jack-pine and is without settlement or service of any kind. From Longlac to Nipigon a more rugged set up appears and along the north shore of Lake Superior they visited the new company town Terrace Bay with its large pulp mill. Thence on to our lakehead cities of Port Arthur and Port William with their great elevators. Thence along Lake Superior shore to Duluth at the Western tip, this is a large beautiful city. Striking East from there to Ironwood and Bessemer which is noted for their mines. They spent some days there visiting relatives and taking in the features. Continuing East they reached the Sault and returned home by way of Sault Ste. Marie.

—Thos. W. Brignall.

NOTICE
To Creditors

IN THE MATTER of the Estate of Ernest Benjamin Roberts, late of the Village of Haliburton in the Provisional County of Haliburton, Taxi Driver, deceased.

NOTICE is hereby given that all Creditors and others having claims against the Estate of the said Ernest Benjamin Roberts, who died on the 29th day of August, 1952, are required on or before the 24th day of November, 1952, to send by post or deliver to Jack Roberts of 2990 Danforth Avenue, Toronto, Ontario, or Jack Robertson of Haliburton, Ontario, the Executors of the said deceased, their names and addresses and full particulars of their claims.

And take notice that after such last-mentioned date the said Executors will proceed to distribute the assets of the said deceased among the parties entitled thereto, having regard only to the claims of which they shall then have notice, and that the said Executors will not be liable for the said assets or any part thereof to any person or persons of whose claim notice shall not have been received by them at the time of such distribution.

The Hallowe'en
Party

Did you hear there's a party being given?

'Tis up at the MOLOU. — Friday for the best of the spooks and the ghosties.

A prize will be given, they say.

Now these splendid ROTARY gentles,

Have cooked up a party by gar.

And the spookies and witches and ghosties,

Will be better employed there by far.

They'll be giving out sweets to the sweetums,

And the show is a pippin, by gum.

So get out your costumes you lasses

And the same to the laddies, you come.

Come out with your friends to the frolic,

At the Molou you'll have lots of fun

Then home to your "Mither" right after.

And "All Hallows Eve" will be done.

—Mavis Noble.

The Local Sports Scene

The hockey pot is beginning to
simmer with both the Huskies and
the Monarchs rolling up their
sleeves for the coming hockey sea-
son. From all reports both clubs
will be strengthened for this
campaign.

The Haliburton Huskies who are
holding bingos every other Thurs-
day in the Community Hall are
entertaining great crowds. And
why shouldn't they with the won-
derful prizes which are on display
for the lucky winners. When you
yell bingo and are a winner you
have a choice of prizes which are
on the table. The next Huskies
bingo is slated for November 6th
at the Community Hall. Plan now
to attend and win some prizes and
give the Huskies a boost.

We see in the Toronto papers
were Ken Schinkel who is playing
with the St. Catharines Teepees
is having a good season in the Jun-
ior A competition. Ken played last
season for the Lindsay Juniors.

The Minden Hockey club held
a very successful bingo at the
Minden Recreation Centre on Sat-
urday night last The Minden
Monarchs Hockey Club are hoping
to have a bigger and better team
than last year. They are bringing
in some new players already. Lat-
est information tells us that the
team will hit training in Lindsay
or Peterborough in the very near
future. The Haliburton Curl-
ing Club held their first meeting
of the new season on Monday night
at the Curling rink. Mr. Lou
Consky is the new president
The local Huskies hope to pur-
chase some new equipment this
season Some of the Huskies
are keeping in training by playing
badminton at the Haliburton Com-
munity Hall The hockey
school now on at the Haliburton
arena is drawing more players
every time the boys work out
Speaking of the National Hockey
League we can't get over that 9
to 0 drubbing the Detroit Redwings
suffered at the hands of the Mon-
treal Canadiens. It was really a
tough night on Mr. Sawchuck, the
worst in his career. The man-
agement of the Haliburton Huskies
are hoping to hold a bingo every
other Thursday evening The
Haliburton Community Hall Board
are now making many improve-
ments on the arena. Rumer his it
the Haliburton and Minden Curling
Clubs will play an interlocking
schedule this winter at the Hal-
iburton Curling Arena.

When the Haliburton Huskies
hold their first workout there will
only be one face missing from last
season's club and that will be Cur-
ry Bishop who is attending school
in Toronto. But we hope to see
new players out for that first drill.

The Minden Monarchs hope to
be even stronger than last seasons
team who where right in there only
to be put out in the seventh game
by the powerful Bracebridge Bears.
The Monarchs hope to hold their
first drill some time this week.

Latest reports tell us that the
Lindsay Juniors are still without
a sponsor for this years campaign.
The team is ready to go but as
yet still without some backing.

Gaff Davies who was home over
the week end hopes to be playing
hockey in a league in Toronto
this winter. Gaff played for the
Legion Club and the Huskies
while in Haliburton.

Notice to Creditors

IN THE MATTER of the Estate
of Oswald Clement, late of the Vil-
lage of Haliburton in the Provi-
sional County of Haliburton, Far-
mer, deceased.

NOTICE is hereby given that
all Creditors and others having
claims against the Estate of the
said Oswald Clement, who died on
the 15th day of February, 1952,

post or deliver to Minnie Clement
of Haliburton, Ontario, the Execu-
trix of the Estate of the said de-
ceased, their names and addresses
and full particulars of their
claims.

And take notice that after such
last-mentioned date the said Exe-
cutrix will proceed to distribute
the assets of the said deceased
among the parties entitled thereto,
having regard only to the claims
of which she shall then have no-
tice, and that the said Executrix
will not be liable for the said as-
sets or any part thereof to any
person or persons of whose claim
notice shall not have been receiv-
ed by her at the time of such
distribution.

DATED at Minden this 23rd day

HISTORY of the PROVISIONAL COUNTY of HALIBURTON

Compiled by R. H. BAKER

ANSON TOWNSHIP

This township was surveyed in
1853 and takes its name from the
distinguished English family of
soldiers and sailors connected with
the Earl of Litchfield, George An-
son commander in chief of the Brit-
ish forces in India, was born in
London, 1797, died of cholera at
Kurnaul, 1857. He was the second
son of Thomas, first Viscount An-
son, and brother of the first Earl
of Litchfield. He served at Water-
loo with the Scots Fusilleer Guards
sat in parliament 1828-53 as a li-
beral and was a noted whist player
as well as a zealous patron of the
turf. Lord eGeorge Anson, Baron
Soberton, was born in 1697 and
died in 1762. He entered the navy
when a boy and in 1724 was a post
captain in command of the Scar-
borough man of war. In 1739 he
started with a badly equipped fleet
to harass the Spanish trade and
settlements in the Pacific and after
winning many victories and cap-
turing rich prizes, he circumnavig-
ated the globe and got home in
1744. In 1757 he was made the head
of the admiralty. It was Admiral
Anson, who in 1761 sailed from
Harwick in the Charlotte yacht to
bring George III's bride to Eng-
land. He was noted for his tender
care of the sick and his humanity
towards prisoners.

The first school at Gull River
was situated on the Anson side of
the Bobcaygeon Road, in a log
building near the river, the next
school was nearly opposite the pre-
sent school, and was in Minden
Township, but the present splen-
did school was erected in Anson
Township, on the eminence over-
looking the village.

Some of the best farms in the
district are to be found in Anson
but a large portion is unfit for reforestation.

settlement. Mr. Barton has a saw
mill two miles north of Minden vil-
lage said village being partly in
Anson Township, as referred to in
the write up of the place.

A history making incident took
place here in the early days of
Anson's settlement, for it was un-
derstood that some of the ardent
Protestants had decided that this
particular section should be for
protestants only, and when three
strangers appeared at the Scotch
Line, who were said to be Roman-
ists, they were visited at their
camp on Sunday and quietly told
that if they were not Protestant
the people here would rather they
would not settle. The result was
that very few Romanists made
homes in this district.

HINDON TOWNSHIP

Was surveyed in 1860 and takes
its name from the old town of Hin-
don in Wiltshire, which was re-
presented in Parliament before the
Reform Bill was adopted. In a foot
note to English Bards and Scotch
Reviewers, Byron mentions that
Matthew Gregory Lewis was M.P.
for Hindon. A fine variety of free
stone is obtained near the town of
Hindon.

Only a small portion of this town-
ship is settled for a lumbering firm
purchased the timber limits of the
township and refused to allow
settlement.

Hindon Hill Post Office is situ-
ated some ten miles north of Min-
den Village.

In 1927 the Ontario Government
transferred two or three families
from this township to Northern
Ontario, where they were settled
on the Clay Belt at the expense
of the Government. The lands thus
vacated in Hindon are being held

In And Around Haliburton

The Dysart Recreation Committee held a very successful Teen Town dance in the Community hall on Friday night last.

We have in front of us the Official Weekly Road Bulletin for Ontario this week shows a picture of No. 35 Highway near Miners Bay, Haliburton County on the front cover. Inside of the cover are two pictures. One shows the creek along the Redstone road while the other is the Haliburton to Easonville Road eleven miles east of Haliburton. On the inside back cover is a picture of the town of Haliburton and also Redstone road three miles north of the village of Eagle Lake. This bulletin is well worth looking at.

Poppy day is scheduled for Haliburton on Saturday November 8.

With the scare of foot and mouth disease and the ruling that the Americans cannot take their venison home is stopping many of the Yankee hunters from coming across the line for the hunt. The hunting season opens soon but this year, different from the other years, many of the American faces will be missing.

The village of Haliburton was well represented at the Bryan Green Mission held at the Brock Street Arena on Thursday night last.

A great deal of building is underway in Haliburton. Boice Motors are making splendid progress on their new addition which when completed will give them an additional 4000 feet of floor space. The new Canadian Legion Hall will soon be ready for occupancy. This building is one of the finest of its kind that we know of and at last Haliburton will have the use of an auditorium sufficient to take care of an exceptionally large number of people. Work is well underway on the addition to the Haliburton Public School while this building has been known as a high school and it is the property of the local public school area board.

It is expected that work will soon start on the new County High School. Work on this project should start at once if it is to be completed and ready for occupancy by September of next year.

Mr. Jack Rule of the Rod and Gun Sport Shop on the main street of Haliburton is making some great changes to his giant ice house at the back of his shop. The many requests for ice has forced Mr. Rule to enlarge.

Sam Pasquino Local Ticket Salesman

Mr. Sam Pasquino of Donald has his name written now as one of the best ticket sellers in Haliburton County. Sam sells tickets on local draws and also for many of the draws of out of town clubs. His latest ticket excursion was on a draw sponsored by the Milverton Lions Club who held their draw for a 1952 Chrysler on October 8th. Many of the citizens who bought tickets were wondering if they would get them in the hat for the draw.

The following is a letter that Mr. Pasquino received from the Milverton Lions Club stating that the tickets were all in and the name of the winner is also listed.

MILVERTON LIONS CLUB Milverton - Ontario

The winners at our annual frolic held in the Milverton & District Memorial Arena on October 8th were—

1952 CHRYSLER — Miss Elsie Cassidy, Pincher Creek, Alberta.
\$1,000.00 Seller's Prize — John H. B. Schmidt, Milverton, Ont.

The winning ticket was sold in Port Elgin, Ontario.
This letter besides informing you of the result of the draw also acknowledges receipt of the tickets which you sold for us. We deeply appreciate your cooperation, and we are happy to report that our frolic was a huge success. Our beautiful \$35,000 swimming pool which was officially opened in June 1952 is now free from debt and we thank you for helping make this possible.

We suggest that you keep this bulletin or place it in a prominent place where the people who bought tickets from you will realize that their tickets reached us safely and we want them to know that we appreciate their assistance.

Yours gratefully,
E. A. DITCHFIELD,
Chairman Publicity Com.,
Milverton Lions Club.

Rise In Importance Of Women Is Reflected In Jewellery

The Queen of Sheba sported enough jewellery to win a medal as a woman weight lifter. Cleopatra probably looked as if she was wearing a ballroom chandelier when she first made Antony her Marc.

But the average woman in the ancient world? She was lucky if her eyes glittered. She came about as close to owning jewellery as she did to such decadent luxuries as a daily wash.

Only the wealthy could afford the jeweller's art back in the days when the Roman nose ruled a world of weak beaks. The early craftsmen, "cunning workmen" in the Biblical phrase, spent their lives hammering out silver ornaments for the rich. The court jewellers of Pharaoh Egypt even decked out the mummies of their masters in necklaces. The ancient Assyrians made ear rings a badge of wealth as early as 3,500 B.C. Civilization has since progressed to the mink coat, which is a little hard to figure as a step upward.

But it was much the same in the Middle Ages. Queen Isabella of Spain had plenty of pleasure treasure — she raised the cash to finance C. Columbus on his westward look-see by pawning her jewels. The average goodwife of the day was lucky to have a pewter mug to hold the beverage she swept in, after blowing the froth off.

It was Marie Antoinette who ordered the world's first self winding watch, for one of her court favorites. Made by the famous Swiss watch pioneer, Abram Louis Breguet, the golden timepiece cost 30,000 francs — but there is no record of the huge bill ever being paid.

Even throughout the early modern era, women were so dependent on man that, in actual fact, they almost always had to go to a man to find out the time of day. The 19th century brought watches and clocks into common use for men, but comparatively few women carried the time on their wrists. In fact, right up to World War Two, most women's watches were bought for them by men.

Today, the average woman chooses her own watch — and makes sure it works as well as looks pretty, a fact indicated by the overwhelming popularity of jewelled-lever Swiss watches. Many business and professional women are beginning to use self winding watches — it's enough to make the hair on Marie Antoinette's powdered wig stand on end.

The time-is fast coming when the hand that rocks the cradle will be automatically winding up its wristwatch at the same time!

Deer Season Will Soon Be Here

Season is — November 3rd to November 15th in Haliburton County: the townships of Dalton; Laxton; Digby; Longford and Somerville in Victoria County and that portion of Peterborough County north of No. 7 Highway.

November 3rd; 4th; 5th and 6th in that portion of Peterborough County south of No. 7 Highway and the townships of Brighton; Murray and Seymour in Northumberland County.

NOTE — There is no open season for shooting deer in the townships of Carden; Bexley; Eldon; Fencelon; Verulam; Mariposa; Orpington or Emily townships of Victoria.

LICENSES — A resident of Ontario may hunt Deer on a Resident Deer License, the fee of which is \$5.00. A farmer actually living upon and tilling his land may obtain a Farmer's Deer License to kill a deer at a fee of \$2.00. Such license is only valid in the County or Territorial District in which the farmer resides and not more than one such license shall be used for each household. Non-residents of Ontario may obtain a deer license, the price of which is \$36.

DOG LICENSE — To any person using a dog or being accompanied by a dog while hunting deer, a license is necessary, the price of which is \$2.00. Not less than two persons hunting deer together may use or be accompanied by a dog.

To persons hunting on Farmer's Deer Hunting licenses, the onus will be on the hunter to prove that he can qualify as a farmer. Definition of a farmer under the Game and Fisheries Act is as follows:

"Farmer" means any person actually living upon and tilling his own land, or land to the possession of which he is for the time being entitled, or any bona fide settler engaged in clearing land for the purpose of bringing it to a state of cultivation.

The holder of a deer license may shoot one deer or one elk of either sex or any age, subject to regulations.

Uncle Dudley's Column

THE PACK PEDLAR

To: H. (Johnny) Black,
I. Krugel,
A. Yoser,

And all other serving the people of this county in the early years of the century, this column this week is dedicated.

The passing of the years has brought a great change in the buying habits of the people. Improved roads, shorter working hours giving more leisure time coupled with a higher standard of wages, all tending in this direction.

At the turn of the century and for the first decade — one of the colorful personages in our midst was the transient merchant. The pack pedlar. He might be on foot but more likely a horse and light four wheeler rig, occasionally one would have a team.

Their wares were varied — liniments and louse killer; soothing syrup and socks; soaps and sedatives; gum and garters; one man specialized in Birds woolens, yams etc. Splendid merchandise and retailed at fair prices considering the service in delivery rendered.

They were great traders, if one stopped at Mrs. Greens at Birds Creek overnight and she insisted on cash payment in full or in part that home would be out of bounds for a night's stay ever after. It was standard practice that the accommodation should be in goods, at least the major portion. They did not put out ready cash unless sorely pressed.

Many of them were well educated men, refugees from Eastern Europe — driven out by class war or unrest and many a happy evening was spent about the fireside listening to their tales of home lands Armenia; Turkey; Greece, etc.

Another quarter century and the generation will have forgotten these men entirely who were a part and parcel of our life a few short years ago.

Address And Presentation

A social evening was held on Saturday evening Oct 4th at the home of Mr and Mrs Oliver Higgins of Haliburton where Rev. and Mrs. R. L. Dean of the Gospel Lighthouse were the guests of honor, before leaving for their new home in Victoria B.C.

A very enjoyable time was spent in singing and contests after which a delicious lunch was served to a large number of friends who came from far and near to say goodbye to their highly respected pastor.

During the evening the following address was read to which Mr Dean ably replied. In closing they were presented with a wallet containing some money and all sang "For They Are Jolly Good Fellows" closing with "God Be With You". Much credit is due Mr and Mrs Higgins for their kindness and co-operation.

Address—

Dear Mr. and Mrs. Dean
Calvin and Elizabeth

We have gathered here this evening to try to express in a small way our appreciation of your labors in Haliburton and the surrounding district.

Words fail to tell how much we have enjoyed your message so full of comfort and encouragement. We realize it was no easy task that you undertook when you came here. There were hardships and hard work in abundance, but we do thank God that he gave grace and strength to carry on.

We are justly proud of a little Full Gospel Church where souls have been saved, bodies healed and baptised in the Spirit, all because of your coming to our midst. Many times you have been called to pray for the sick, both in homes and hospital, and your prayers have reached "The Great Physician", when man's help was of no avail.

Mrs. Dean also has shown untiring interest in helping with the church services. Sunday School and the Young Peoples meetings. Those of us who had comfortable homes can scarcely imagine the difficulties she had in getting her home in order, her lot was certainly no bed of roses.

Calvin and Elizabeth too have done remarkably well, we have enjoyed their singing and help very much.

The news of your leaving was a shock to everyone of us, but the "Word" says "All things work together for good to those who love the Lord", and we know God moves in a mysterious way His wonders to perform, and His way is best, so we trust that as we pass this mile post in our history that somehow God will do greater things in the future than in the past.

You may be assured that our best wishes and earnest prayers will go with you and may His richest blessings be upon all four of you in your new field of labor.

We beg of you to accept these slight tokens of our appreciation.

Mrs. Shields,
Mrs. Wright,
Mrs. Higgins,

On behalf of the congregation.

Honest Boy Rewarded

Every once in a while we hear of an incident of kindness or honesty that restores our faith in human nature. The latest story of this nature is about little Bob Swinson of Kinmount.

It appears that while passing through Kinmount on his way to Lindsay Lewis Neville of Haliburton had the misfortune to loose his purse containing about twenty dollars in cash along with his license and ownership cards.

In a great many cases when this happens the owner despairs of ever seeing the lost article again but in this case the story is different:

When sent to get some things from the store 8 year old Bob Swinson of Kinmount saw the pocket book lying in the vicinity of the Post Office and he picked it up and took it home to his parents who immediately notified Mr. Neville.

We are glad to report that Bob was substantially rewarded for his honesty.

Don't forget the Rotary Halloween Party

When farmers first moved their radios out to the barns, it was strictly as a convenience for themselves, but how many CBC programs have a four legged audience as well. Experts claim that radio is a factor which can favorably affect the yield of milk, and other farm produce, and warn that cows have a definite dislike for symphony music. Pictured above, Norm Garriock, CBC farm commentator for Ontario and Quebec discusses a few jazz classics with a "hep" Holsten; modern music is more to the cow's liking.

SALVATION ARMY
CAMPAIGN

During the coming week, from Tuesday, Nov. 4th to Sunday, Nov. 9th the local Salvation Army are holding special Campaign Meetings. The evangelists at all of these services will be Lieut. Colonel and Mrs. Joseph Acton, former Divisional Commanders of Northern Ontario which includes most of Haliburton County. The Colonel, who spent six years in Alaska and Northern British Columbia, has travelled thousands of miles by Indian canoe, dog team, etc., and will bring with him curios and pictures of Indian life.

Meetings will be held nightly at 8 p.m. from Tuesday through to Saturday. The plan for these meetings is as follows: Tuesday and Wednesday Evangelistic; Thursday is Family Night. Come along and bring the family for this meeting; Friday is Holiness Meeting; Saturday is Alaskan Demonstration. This demonstration includes pictures of Alaskan life, animal life, industry, Missionary etc. The Colonel also carries with him a small trunk full of old curios regarding missionary work which he describes. A rather unusual and interesting feature of this demonstration will be an impersonation of the witch doctor in action.

In order that the young people of the community may also benefit from the visit of Colonel and Mrs. Acton the local Corps Officers have arranged to have young people's meetings on Wednesday and Friday nights at 7 p.m. All young people who will not be able to attend the later services are cordially invited to attend.

The Colonel and his wife will complete their campaign on Sunday Nov. 9th. The plan for this day will be as follows: 11 a.m., Holiness Meeting; 2 p.m., Sunday School at Donald; 3 p.m., Sunday School at Haliburton; 7:30 p.m., Gospel Meeting.

A hearty invitation to attend all these meetings is extended to the people of this Community. We know that the words of the Colonel and his wife will be full of inspiration and blessing.
